Or call in +13052241968,,83448940691# US

Join the second LPC meeting for Cornwall's New York Forward. LPC members will receive an update regarding public engagement, finalize the Cornwall NYF vision, review the preliminary list of opportunities and challenges, provide input on draft goals and discuss the project evaluation criteria and format for project selection.

Please note that LPC meetings are public working meetings for committee members, and time will be held at the end of the meetings for public comment. There will be public workshops throughout this process during which the general public can provide their input.
